

This year, DEAF, Inc. has its 10th Year Anniversary!

10 years flew by since its formation in 2008. Wow!

We will be celebrating by hosting a gala called "A Starry Night at the Zoo".

It will be held at The Living World at St. Louis Zoo.

When is it? Saturday, November 10th from 6:30 pm to Midnight! Come and join the celebration!

We have a great package for you. First, we will gather in the atrium for cocktails and hors d'oeuvres. There will be an open bar.

We will have wonderful set of silent auction items for you. We do accept cash or credit cards.

We will gather here at the theater for an Awards Ceremony.

We have an awesome special guest speaker, Claudia L. Gordon, Esq., the first African American deaf women lawyer in the United States, who served under Obama's administration at the White House.

I'm so looking forward to meeting her!

We will also be recognizing several awardees for their contributions to DEAF, Inc. and the Deaf, DeafBlind, and Hard of Hearing Communities.

It looks empty. Don't worry. It will be filled with the tables with lighted centerpieces along with string lights all over the ceiling. It will be just like our theme, A Starry Night at the Zoo.

Here is where we will have our gourmet dinner. You will have three choices for dinner: Filet Mignon, Lemon Pepper Chicken Piccata, and Vegetable Stuffed Cannelloni.

We have a special treat for our guests – Animal Meet n' Greet! The zoo personnel will bring several animals for you to meet. Cool!

As for music, we will have a well-known deaf DJ – Nico DiMarco.

I'm so excited! Let's dance the night away!

Oh, I bet you're curious how much all of this would be? All of this for only \$125 per person.

That's a very good deal with everything we're offering and all of the proceeds goes back to the deaf and hard of hearing communities by providing support and services to deaf youths, deaf cancer survivors, DeafBlind citizens, and many others, including high-quality interpreting services.

Grab your tickets before it runs out!

Come and celebrate DEAF, Inc. 10 years of redefining communication access!

You have chicken? I'm having Filet Mignon.

Hold on, wait a minute.

Oh, the dress code is formal. Like what we are wearing today. Come and join us!
